Professional Summary

Front-End Developer with expertise in React.js, specializing in building responsive and interactive web applications. Proficient in JavaScript, HTML5, CSS3, and Tailwind CSS, with a focus on clean code, reusable components, and UI performance optimization. Experienced in API integration, Firebase services, accessibility standards, and modern front-end libraries. Committed to continuous learning and delivering user-focused solutions.

Technical Skills

Languages and Tools: HTML5, CSS3, JavaScript (ES6+), React.js, JSX, Tailwind CSS, Git, GitHub

Frameworks and Libraries: React Router, Material UI, Framer Motion, Redux Toolkit

API Integration: RESTful APIs

State Management: Context API, Redux Toolkit

Build Tools: Vite, Babel, NPM

Firebase Services: Firebase Authentication, Firebase Realtime Database

Testing Tools: Jest

Deployment: Vercel, Netlify

Version Control: Git, GitHub

Accessibility: WCAG Compliance, ARIA, Semantic HTML, Keyboard Navigation

CI/CD: GitHub Actions (auto deployment, linting, test automation)

Projects

E-Commerce Platform with Dashboard

Live Demo: e-commerce-with-dashboard-neon.vercel.app

Admin Email: mohamed@gmail.com, Password: Mohamed1#

End User Email: moaa@gmail.com, Password: Mohamed11#

Developed a full-stack e-commerce application with user and admin layouts. Implemented product management, user authentication, shopping cart, total payment, protected routes, and real-time interaction with Firebase Realtime Database.

Movie Details App

Live Demo: <https://movie-app-one-wine-86.vercel.app>

Created a responsive application using TheMovieDB API for searching and viewing movie details. Features include dynamic routing with React Router, responsive cards, search functionality, and movie trailers.

Additional Projects

Portfolio: github.com/mohamed-elrokapy

Developed over 14 real-world projects using React.js, Tailwind CSS, Firebase, and Material UI, showcasing expertise in modern web development tools and practices.

Education

Bachelor of Nursing

Faculty of Nursing, Helwan University, 2015–2019

Self-Taught Front-End Developer

Completed courses via FreeCodeCamp and Udemy in React.js, JavaScript & TypeScript, UI/UX Design & Accessibility, Testing & Performance Optimization

Currently Learning

Next.js
Unit Testing
End-to-End (E2E) Testing
Playwright
AWS Cloud Services
Vitest
Bachelor of Law, Faculty of Law, Helwan University, 2022–2026

Languages

Arabic: Native
English: Advanced (C1 Level, Actively Practicing)
German: A1

Soft Skills

Communication
Team Collaboration
Attention to Detail
Critical Thinking
Adaptability & Fast Learning
